

**2019 MUNICIPAL ANNUAL AUDIT
AND
FINANCIAL REPORT**

021955 MARSHALL TWP, ALLEGHENY COUNTY

Independent Auditor's Report

**Board of Supervisors
Marshall Township, Pennsylvania**

We have audited the Balance Sheet, Statement of Revenues and Expenditures, Debt Statement, and Statements of Capital Expenditures and Employee

Compensation - regulatory basis (Schedules) included in the 2019 Municipal Annual Audit and Financial Report of Marshall Township (Township), Pennsylvania.

Management's Responsibility for the Schedules

Management is responsible for the preparation and fair presentation of these Schedules in accordance with the financial reporting provisions as described in the instructions provided by the Commonwealth of Pennsylvania Department of Community and Economic Development (DCED) to meet filing requirements in Pennsylvania. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of Schedules that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Schedules based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Schedules are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Schedules. The procedures selected depend on the auditor's judgment, including assessment of the risks of material misstatement of the Schedules, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the Schedules in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Schedules.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

To meet the financial reporting requirements of the Commonwealth of Pennsylvania, the Schedules are prepared by the Township on the basis of the instructions provided by DCED, which is a basis of accounting other than accounting principles generally accepted in the United States of America. These requirements permit the Schedules to be prepared without financial statement disclosures, without cash flows, without component unit financial information, without government-wide financial statements, without Management's Discussion and Analysis, without budgetary comparisons and historical pension information, and require all funds to be aggregated by fund type on the Schedules.

The effects on the Schedules of the variances between the regulatory basis of accounting described above and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the Schedules referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Township as of December 31, 2019 and the results of its operations for the year then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the Schedules referred to above present fairly, in all material respects, the regulatory basis financial position of the Township as of December 31, 2019 and the regulatory results of its operations for the year then ended in accordance with the financial reporting provisions described in the instructions provided by DCED.
